

WELCOME TO STUDENT SUPPORT SERVICES!

I am the student support services coordinator/teacher at Faith Christian Academy (FCA). Student Support Services (SSS) provides support for our ESE students. This support comes in various ways like help in the classroom, outside the class, general and specialized (skill) tutoring, accountability with work, specific therapy, or counseling. Our goal is to see all students succeed in the classroom.

If you are interested in our school, please provide to SSS the following documents along with a \$25 non-refundable check or cash for the pre-application process:

- IEP or 504 Plan OR Doctor's report with diagnosis (if no IEP/504)
- Report cards **Past 2 years & current year**
- Standardized testing **Past 2 years**
- Any assessments or evaluations, esp. relating to IEP/504 or Dr. diagnosis
- SSS educational evaluation form filled out (form is on our website)

Once you have these documents, please email, fax, or bring them in. After I review them in detail, I will contact you. Please plan ahead as SSS will need up to three weeks to process the SSS documents, and meet with the parent if needed, prior to the family proceeding to the online application process. Please note that all paperwork (listed above) along with the \$25 (non-refundable) must be received by SSS. Once we have given SSS approval, you may proceed with the online application process. Note these documents will be forwarded to Admissions as they are needed as part of the application process.

Thank you for your interest in our school. I look forward to connecting with you.

Sincerely,

MS. RUTHANN WATERS
Student Support Services Coordinator
