OUR **MISSION**

Faith Christian Academy is dedicated to helping students **encounter** Jesus and **develop** a passion for learning while serving others with love.

WELCOME

At Faith Christian Academy, we offer an exceptional educational experience that combines academic excellence with modern facilities on our beautiful 95-acre campus in sunny **Orlando, Florida**.

Our Home-Stay program offers a welcoming and immersive experience for international students. They will have numerous opportunities to engage with the community while growing personally and spiritually.

With our convenient location and rigorous curriculum, we prepare students for abundant higher education opportunities. Situated just 15 minutes from Orlando International Airport (MCO) and near renowned universities like UCF and Rollins College, our campus offers a gateway to academic **success** and future achievement.

At FCA, education is an exciting adventure guided by faith, and we look forward to supporting your journey toward academic and spiritual growth!

ACADEMIC EXCELLENCE & COLLEGE PREPARATION

Faith Christian Academy offers an honors track for students seeking a more rigorous curriculum. We provide Advanced Placement (AP) classes in history, math, English, and science, along with dual enrollment opportunities for those wishing to take college courses.

We proudly report that 100% of our graduates are accepted into college, many being recruited by top universities. Our preparation begins in 8th grade, building a strong foundation and equipping students with the tools they need to succeed. Throughout high school, we provide personalized guidance and set clear, achievable goals, making the college application process straightforward and stress-free.

STUDENT LIFE

Culture & Community

In the United States, school represents much more than just academics. From the moment international students arrive, they are fully immersed in the experience of being an American student. Our program offers opportunities for students to collaborate and support each other academically while also fostering a strong sense of community. We host a variety of events on campus that bring students together, encouraging them to build relationships and engage with the entire school community.

Weekly Chapel Services

At Faith Christian Academy, our weekly chapel services are a valued aspect of student life, allowing students to gather for worship and engage in sermons and discussions about the practical application of their faith.

ATHLETICS & SPORTS

Step into the thrilling world of sports at Faith Christian Academy, where our Lions roar with pride both on and off the field. Our **athletics program** is more than just games; it's a testament to our commitment to excellence, teamwork, and character development. Whether you're a seasoned athlete or looking to discover a new passion, FCA provides an exhilarating and supportive, Christian environment for everyone.

in 14 varsity sports!

CREATIVE ARTS PROGRAM

From musical theater and choir to dance, band, TV production, and visual arts, students are encouraged to **express** themselves and pursue their passions in a supportive and inspiring environment. With access to state-of-the-art facilities and experienced instructors, each student is empowered to explore different art forms, build confidence, and excel in their craft. Our program fosters creativity, collaboration, and personal growth, ensuring that every student finds their unique voice and shines in their artistic journey.

WHY INTERNATIONAL FAMILIES CHOOSE FCA

Education of a Lifetime

At Faith Christian Academy, international students receive a high-quality education based on academic excellence and Christian values. Our innovative curriculum, paired with personalized attention from dedicated teachers, provides students with the skills and knowledge necessary to thrive both academically and spiritually.

Stepping Stone to Top Schools

Graduates of FCA are fully equipped to tackle the challenges of higher education. With **100%** of our students gaining acceptance into colleges, trade schools, or the military, our rigorous academic program provides a solid foundation for success at prestigious universities throughout the United States and beyond.

U.S. Cultural Immersion

Our International Student Program provides a complete **cultural immersion experience**. Students have the opportunity to live with host families in the U.S. and take part in local traditions, events, and activities. This allows them to gain a deep understanding of American culture while broadening their global perspectives.

Lifelong Friends & Mentors

At Faith Christian Academy, students establish lasting friendships and meaningful relationships with peers, teachers, and mentors. Our supportive community promotes personal growth and leadership, ensuring that students not only excel academically but also create bonds that endure a lifetime.

HOST FAMILY

Faith Christian Academy's International Student Program provides students from other countries with a unique cultural immersion experience by pairing them with a local Host Family. Throughout their Home-Stay experience, students have the opportunity to enhance their cultural understanding and language skills in a supportive environment, alongside peers their own age.

Managed by our International Student Program Office, host families are carefully selected based on their commitment to providing a safe and nurturing atmosphere. These families, often staff or church members, offer transportation, meals, and a loving home, helping students thrive academically and personally. Students engage in family activities and practice English in real-life situations.

The program ensures that students receive necessary support to excel in their studies and adapt to their new surroundings, with families chosen through a thorough application process that includes background checks and home visits.

By joining the International Student Program and participating in a Home-Stay experience, students gain access to a quality education, form lifelong relationships, and create **unforgettable** memories in the United States.

For more information or to apply to this program, please email intldept@fcalions.org for details.

ADMISSIONS PROCESS

At FCA, our International Student Program operates on a rolling admissions basis, allowing students to apply year-round. Early application is recommended, as applications for the upcoming academic year are accepted up to one year in advance. The admissions process evaluates each student's readiness and placement to ensure a positive experience at our school.

1

Complete the Application

Begin the process by filling out the online International Student Application!

2

Submit Required Documents

Refer to your interactive checklist, that will be provided to you, to submit the necessary documents.

3

Interview and Acceptance Process

Once your application is reviewed, you will have a virtual interview and will be notified of your acceptance status.

4

Enrollment and Visa Application

After acceptance, complete the forms and pay the fees to confirm your spot. You'll then apply for your student visa!

5

Tuition Payments and Travel Arrangements

Pay your tuition fees and arrange travel for a smooth arrival at Faith Christian Academy in Orlando, Florida!

6

Host Family Connection

Upon enrollment, we will connect you with a welcoming host family for your stay!

For more information or to apply to this program, please email intldept@fcalions.org for details.

OFF-CAMPUS ACTIVITIES

Orlando is a vibrant destination offering fun for all ages. Students can experience the magic of a lifetime at Walt Disney World or embark on thrilling adventures at Universal Studios, both featuring immersive attractions. Beyond the theme parks, Disney Springs and CityWalk offer excellent shopping and dining experiences. Orlando truly has something for everyone. Get up close with wildlife at Gatorland, SeaWorld, or the Central Florida Zoo, or explore family-friendly attractions like Icon Park and Fun Spot. For fun in the sun, visit our nearby beaches and water parks. Orlando also makes learning exciting at the Orlando Science Center and Kennedy Space Center.
