

Declaration of Understanding of Athletic Participation

International Student Program Form G

STUDENT INFORMATION

Name: _____ Grade: _____

Faith Christian Academy is a voluntary member of the Florida High School Athletic Association (FHSAA). The policies set by FHSAA require any international student who desires to participate in a sport to have a waiver submitted for approval. The Athletic Director is responsible to submit names each athletic season on behalf of any international student. Once a decision is rendered by the FHSAA, the student will be notified.

Participating in an athletic sport at FCA is not a right but a privilege. All students, whether international or domestic students, must maintain an academic performance in accordance with the FHSAA policies, the FCA and the Athletic Eligibility Policy found in our Athletic Manual and Parent/Student Handbook. Failure to maintain this level of academic performance may deem a student ineligible to participate in a sport. Athletic eligibility or participation is not guaranteed.

All international students attending FCA must initial and sign the statements below.

Student Initials I have read the FHSAA policy regarding sports participation and know I must keep my grades to the academic level described in the policy. The policies are included on a poster provided by FHSAA at this link: **FHSAA Poster**
