

FCA ATHLETIC HYBRID PROGRAM OVERVIEW

2025 - 2026

Enrollment in Faith Christian Athletic Hybrid Program is open to all Christian homeschooling families who believe in the Lordship of Jesus Christ and are in agreement with the doctrinal statements of Faith Christian Academy.

The athletic hybrid program year is based on 175 calendar days of school and runs from August 1 - May 30. Parents should be mindful of this when scheduling and completing courses in a timely manner.

FINANCIAL RESPONSIBILITIES

All students who attend Faith Christian Academy will meet with the Homeschool Coordinator to make payment arrangements during the Action Plan meeting. **Enrollment will not be finalized until all financial obligations are complete.**

STUDENT CONDUCT & EXPECTATIONS

Students who are enrolled as part of the Homeschool Program at FCA are expected to follow the policies listed in the **Faith Christian Academy Parent/Student Handbook** while on and off the school campus. Any student who participates in a school sponsored event (i.e. sports, clubs, and/or trips) is still representative of FCA and must model and demonstrate the standards of moral conduct. Homeschool students are no exception.

Please read the handbook and ask any questions you may have before the year begins.

MONTHLY REPORTS

Monthly Reports are due the 5th of every month.

Monthly Reports for homeschool students are required to be submitted. The Homeschool Coordinator will send a reminder each month. The form is located on FCA's website and is submitted electronically. **This form is required should the Homeschool Program be audited for student progression.**

There will be a \$30 late fee per child for all reports turned in after the 5th of each month.

PORTFOLIO EVALUATION FOR NON-FLVS CLASSES

All families enrolled in non-FLVS classes from Kindergarten to 12th Grade will need to submit a portfolio to the Homeschool Coordinator. The family will need to demonstrate consistent progress on skill and content material related to the child/children's current grade level. The portfolio is a measurement of student progress and will be the property of the family. The Homeschool Coordinator will guide, assist, and evaluate a student's portfolio yearly (more often if needed). Florida Virtual Classes do not need to be included in the portfolio. Portfolios should include copies of: all monthly reports, all tests and quizzes, as well as at least 20 work samples (10 per semester, taken throughout the year) for each subject (non-FCA/FLVS courses only).

The Homeschool Coordinator will review each 12th grade student's coursework to ensure that he/she has completed his/her coursework for the academic year/graduation.

For Bible credit, a portfolio submission is required. This will be discussed during the Action Plan meeting.

9TH - 12TH GRADE OPTIONS

DUAL ENROLLMENT (DE)

Homeschool students may enroll in dual enrollment courses the summer after their 10th Grade year. Students may take up to 4 courses per year: one course first semester, one course second semester, and two courses during the summer. **Dual enrollment is dependent on GPA and PERT score.**

Homeschool policies are subject to change throughout the year as needed; families will be notified via email regarding any policy changes/updates.

HONORS COURSE VERIFICATION

In order to receive honors credit (middle and high school only) for an honors course taught by a certified teacher (not the parent), the student must present the syllabus, a brief bio of the instructor, and 40% of graded assignments and assessments to the Homeschool Coordinator. A FCA honors teacher (subject appropriate) will review the material and determine if the student will receive honors or college prep credit for the course.
